

## **"Perfect" by Pink**

1. Made a wrong turn once or twice
2. Dug my way out blood and fire
3. Bad decisions, that's alright
4. Welcome to my silly life
  
5. Mistreated, Misplaced, Misunderstood
6. Miss no way it's all good, It didn't slow me down
  
7. Mistaken, Always second guessing
8. Underestimated, Look I'm still around
  
9. Pretty, pretty please
10. Don't you ever, ever feel
11. Like you're less than, less than perfect
12. Pretty, pretty please
13. If you ever, ever feel
14. Like you're nothing, you are perfect to me
  
15. You're so mean when you talk
16. About yourself, you were wrong
17. Change the voices in your head
18. Make them like you instead
  
19. So complicated, look how we all make it
20. Filled with so much hatred, such a tired game
  
21. It's enough, I've done all I can think of
22. Chased down all my demons, I've seen you do the same
  
23. Pretty, pretty please
24. Don't you ever, ever feel
25. Like you're less than, less than perfect
26. Pretty, pretty please
27. If you ever, ever feel
28. Like you're nothing, you are perfect to me
  
29. Whole world scared so I swallowed the fear
30. The only thing I should be drinking is an ice-cold beer
31. So cool in lying and we try, try, try but we try too hard
32. And it's a waste of my time.

## “i” by Kendrick Lamar

[Intro]

I done been through a whole lot  
Trial, tribulation, but I know God  
Satan wanna put me in a bow tie  
Pray that the holy water don't go dry  
As I look around me  
So many wanna down me  
But an enemigo never drown me  
In front of a dirty double-mirror they found me

[Chorus]

And I love myself (The world is a ghetto with big guns and picket signs)  
I love myself (But it can do what it want whenever it want, I don't mind)  
I love myself (He said I gotta get up, life is more than suicide)  
I love myself (One day at a time, sun gonna shine)

[Verse 1]

Everybody lookin' at you crazy (crazy!)  
What you gonna do? (what you gonna do?)  
Lift up your head and keep moving (keep moving)  
Or let the paranoia haunt you (haunt you)?  
Peace to fashion police, I wear my heart  
On my sleeve, let the runway start  
You know the miserable do love company  
What do you want from me and my scars?  
Everybody lack confidence, everybody lack confidence  
How many times my potential was anonymous?  
How many times the city making me promises?  
So I promise this

[Chorus]

[Verse 2]

They wanna say it's a war outside and a bomb in the street  
And a gun in the hood, and a mob of police  
And a rock on the corner, and a line for the fiend  
And a bottle full of lean, and a model on the scene yup  
These days of frustration keep y'all on tuck and rotation  
I duck these cold faces, post up fi-fie-fo-fum basis  
Dreams of reality's peace  
Blow steam in the face of the beast  
The sky could fall down, the wind could cry now

The strong in me, I still smile

[Chorus]

[Bridge]

Walk my bare feet (walk my bare feet)  
Down, down valley deep (down, down valley deep)  
Fi-fie-fo-fum (fi-fie-fo-fum) (I love myself)  
My heart undone (my heart undone)(I love myself)

[Chorus]

[Verse 3]

I went to war last night  
With an automatic weapon, don't nobody call a medic  
I'ma do it till I get it right  
I went to war last night  
I've been dealing with depression ever since an adolescent  
Duckin' every other blessin' I can never see the message  
I could never take the lead, I could never bob and weave  
From a negative and letting them annihilate me  
And it's evident I'm moving at a meteor speed  
Finna run into a building, lay my body in the street  
Keep my money in the ceiling, let my mama know I'm free  
Give my story to the children and a lesson they can read  
And the glory to the feeling of the holy unseen  
Seen enough, make a motherfucker scream, "I love myself!"

[Outro]

I lost my head  
I must've misread what the good book said  
Oh woes keep me, it's a jungle inside  
Give myself again 'til the well runs dry (i)

33. Done looking for the critics, 'cause they're everywhere
34. They don't like my jeans, they don't get my hair
35. Exchange ourselves and we do it all the time
36. Why do we do that, why do I do that, why do I do that?
  
37. Pretty, pretty please
38. Don't you ever, ever feel
39. Like you're less than, less than perfect
40. Pretty, pretty please
41. If you ever, ever feel
42. Like you're nothing, you are perfect to me
